## OTHER INFORMATION

---

**Minimum contract period** 12 months

---

**Early termination fee** If your service is disconnected prior to the completion of your contract period, you will be charged and early termination fee of up to \$250.

---

**Notice period** If you cancel within the fixed term period, you will be liable for any applicable termination charges.

We require 30 days' notice of cancellation.

---

**Traffic management** We may use traffic prioritisation policies for our plans at any time to improve the overall performance amongst our customers.

---

**Fair Use** Slingshot does not enforce a fair use policy.

---

**Effects on other services** Your broadband service requires mains power to operate. If power is not available (e.g. during a power outage), your broadband, and any services which run over it, may stop working unless you have battery backup in your home.

You should check with the provider of any existing essential services such as security alarms, medical alarms and EFTPOS to make sure they will operate with this broadband service.

---

**Complaints** Information about our customer complaints process is available [here](#).

---

**Disputes** Slingshot is currently a member of the Telecommunications Disputes Resolution Service (TDRS), more details available [here](#).
