	\$69.95	Monthly	150GB
	Prices are current as at 15 July 2021 and are subject to change. To see current pricing please see our Fibre broadband plans page .		
Additional Data Charges	If you go over your data cap, we will apply data blocks (they cost \$5 for 5GB), rather than slow you down. We'll send you an email before you reach your cap and once you hit your data cap. Data usage is also updated in My Slingshot in real time.		
Modem	New modem option	Bring your existing modem option	
	Free modem rental available (\$14.95 postage and packaging fee applies).	Bring your existing modem with your existing Wi-Fi settings.	
	All Slingshot modems are rented and must be returned should you cancel your service. If it is not returned, you will be charged \$100 to recover the cost of the device.	Please note, we will be unable to offer Wi-Fi set up or troubleshooting support for any non Slingshot supplied Modems.	
Minimum contract period	12 months	6 Months	
Setup Charge	A standard UFB installation is free. The installation process will involve a technician coming to your place to physically connect a fibre optic cable from the roadside to your premise. A non-standard installation usually applies if your house is more than 200m from roadside. In these cases, a price is given upon application.

We require 30 days' notice of cancellation

Traffic management We may use traffic prioritisation policies for our plans at any time to improve the overall performance amongst our customers.

Fair Use Slingshot does not enforce a fair use policy.

Effects on other services Your Fibre (UFB) broadband service requires mains power to operate. If power is not available (e.g. during a power outage), your broadband, and any services which run over it, may stop working, unless you have battery backup in your home.
You should check with the provider of any existing essential services such as security alarms, medical alarms and EFTPOS to make sure they will operate with this fibre (UFB) broadband service.

Optional charges Additional charges may apply for items such as non-standard installations, additional in-home technician work performed at the time of installation.

Disputes Information about our customer complaints process is available [here](#).
Slingshot is currently a member of the Telecommunications Disputes Resolution Service (TDRS), more details available [here](#).

All pricing quoted is inclusive of GST
