---

## OTHER INFORMATION

---

### Early termination fee

If your service is disconnected prior to the completion of your contract period, you will be charged an early termination fee of up to \$250.

---

### Notice period

If you cancel within the fixed term period, you will be liable for any applicable termination charges.

We require 30 days' notice of cancellation

---

### Traffic management

We may use traffic prioritisation policies for our plans at any time to improve the overall performance amongst our customers.

---

### Fair Use

Slingshot does not enforce a fair use policy.

---

### Effects on other services

Your Fibre (UFB) broadband service requires mains power to operate. If power is not available (e.g. during a power outage), your broadband, and any services which run over it, may stop working unless you have battery backup in your home.

You should check with the provider of any existing essential services such as security alarms, medical alarms and EFTPOS to make sure they will operate with this fibre (UFB) broadband service.

---

### Optional charges

Additional charges may apply for items such as non-standard installations, additional in-home technician work performed at the time of installation.

---

### Disputes

Information about our customer complaints process is available [here](#).

Slingshot is currently a member of the Telecommunications Disputes Resolution Service (TDRS), more details available [here](#).

---

A non-standard installation usually applies if your house is more than 200m from the street. In these cases, a price is given upon application.

---

All pricing quoted is inclusive of GST
